JOURNEY TO BALI 10 DAYS/9 NIGHTS

On Bali there is a link  
to enlightenment.

The beliefs of the Balinese are a living force that pervades the island and reverberates outside it. The island sings of love: the love of making an offering of woven palm leaves and beautiful flowers; of lighting a stick of incense and praying a mantra.

- ◆ Be greeted in Bali with flowers, a sarong and sash
- ◆ Receive a free welcome massage
- ◆ Travel with Bali expert Jim Cramer
- ◆ Stay at stunning boutique resorts and hotels for 9 nights
- ◆ Daily breakfast
- ◆ Take a dip in the Indian Ocean
- ◆ Share your yoga practice in beautiful surroundings
- ◆ Swim at the Tirtaganga Water Palace
- ◆ Visit three of Bali's holiest temples
- ◆ Take a village walk with a Balinese Brahman
- ◆ Enjoy a Bali Dance Performance
